

## Statement of Faith:

*We believe* in the self-authoritative, infallible word of God found within the bible. We believe there is only one God, eternally existent in 3 persons, Father, Son and Holy Spirit.

*We believe* that the Lord Jesus Christ was born of a virgin, led a sinless life, preformed miracles and his death atoned for our sin by the shedding of his blood. His resurrection and ascension to the right hand of the father was for us even in our sin and that he will return.

*We believe* that for the salvation of the lost and sinful humanity, regeneration by the holy spirit through faith in Jesus Christ is essential.

*We believe* in the present ministry of the Holy Spirit whose indwelling inside the heart of the Christian is the only way to break the chains of addiction.

*We Believe* in seeing the lost saved, the saved freed, the freed restored, and the restored fulfilled through our Lord Jesus Christ. Our goal is to aid in restoring lives, restoring families, and restoring communities.

*We believe* in the spiritual unity in the body of Christ.

*We at Hope Center Ministries do not follow any specific doctrinal perspective. In keeping with the interdenominational nature of our organization, we make a deliberate effort to avoid emphasizing any theological interpretation; our only standard for the church is belief and love of our one true power Jesus Christ. This statement of faith does not exhaust the extent of our beliefs. The bible itself, is the inspired and infallible word of God is what speaks the final*

*authority concerning truth, morality, and the proper conduct of mankind, is the soul and final source of all we believe.*
